Report of the 7- day Special camp

Period : **23/12/2021 to 29/12/2021**

Venue : College of Applied Science, **Puthuppally.**

Introduction

The special camp of the NSS unit was conducted at College of Applied Science, Puthuppally. The venue was proposed by considering the fact that due to COVID 19 pandemic, it would be safe to conduct the camp in the parent institution itself. The camp was named as “PUNARJANI 2021”.The main objective of the camp was decided as “A step to zero waste campus”. The task of cleaning the premises demanded good effort from the volunteers.

The major events in the camp can be summarized in the following daily report.

23/12/2017.

The campers arrived at the camp and the preparations for the camp were done. There were 9 girls and 36 boys who were to participate in the camp. The lady volunteers were given accommodation in the main building and the others were given the new academic block for night stay.

The camp office was set to receive the guests. The camp was officially started by hoisting the flag by Smt. PraseedaR, HOD, Computer Science. Necessary arrangements were done to start cooking. In the afternoon, an orientation was given to the volunteers about the camp. The schedule was given and essential things to maintain the discipline also were given to the volunteers.

26/12/2017

The day started with the Yoga session. The morning assembly was conducted at 8:00 AM. The camp paper was presented .The thought of the day was delivered which was very thoughtful.
